External links Official Website Artlantis Category:Design software Category:Raster graphics editors Category:Windows multimedia softwareNew Delhi: India will "listen to every player" and "take all security measures" to ensure safety of students and pilgrims on the upcoming Amarnath Yatra 2018, reported PTL. "During this season of Amarnath Yatra, we will take security of the pilgrims and the staff very seriously. We are going to listen to every player and take all security measures to ensure that the yatra is safe." External Affairs Ministry spokesperson Raveesh Kumar said on Sunday. He made these comments in the wake of a gun attack on two jawans of the Border Security Force (BSF) and three pilgrims, killing four, in Anantnag district of Jammu and Kashmir. BSF jawan Sanjiv Tiwari, who had been injured in the attack, succumbed to his injuries on Monday. The injured jawans were admitted to the Armed Forces Medical College (AFMC) in Jammu and Kashmir, where Tiwari died while one jawan succumbed on the way to the hospital. Congress has demanded an impartial and thorough probe into the incident. "Some of the pilgrims who were travelling on the border route have alleged that the BSF jawans, who were guarding the Bus carrying the pilgrims, fired at them and the pilgrims. My party has demanded the probe into the incident. The BSF jawans fired without any provocation," senior party leader Sachin Pilot said. Meanwhile, reports emerged that the Prime Minister's Office (PMO) has also sought more security cover for pilgrims undertaking the annual Amarnath Yatra. This year, the Amarnath Yatra in Jammu and Kashmir began on July 1 and is scheduled to continue till August 15. Around 60,000 pilgrims usually undertake the Yatra every year in the snow-capped Himalayan mountains. The PMO, which is responsible for conducting the yatra and security of pilgrims, had sought "all possible help" from the state government for the fair conduct of the Yatra. Last year, nine people were killed and four injured
