The newest entry into the series, this "complete" version of the original Super Mario Bros. will have all the levels from the first two NES games, plus a few additional ones that were released later. She told her family, neighbors and even her friends that she was pregnant, but when she went to her doctor for an ultrasound, a problem was found: Rosa was actually carrying twins. "We were scared, because we had heard of tragedies where the baby died, but we had no idea that it was that bad," she said. The doctors quickly rushed to an operating room, where they decided to perform a cesarean section. But after the baby was delivered, something was wrong. Rosa had given birth to two babies, not just one, Rosa said. Mario: He got a little scrawny so they didn't name him Mario. Luigi: He was really short, so they just call him that. Rosa said she only wanted one child, but the

doctor told her that the babies were going to have an operation that day, and that both babies would die if she did nothing. Rosa and her husband Mario were left to decide which child to save, and they chose the boy. Rosa said that she always felt like she was supposed to be that single mother, and since the end of her pregnancy, she has been cooking for her twins. Mario: I cook like a single mom. Luigi: She's always cooking, even for us. Rosa said she does not have any plans for her future yet, although she is taking classes to become a healthcare technician, but she said that she wants to work with children in the future. The twins are now about 3 years old, and Rosa is still cooking for them every day. On Friday, February 22, the boys were taken to the hospital by a relative after they started to choke on their food and Rosa's husband Mario thought they were choking on something. Rosa said she ran into the hospital with her husband and the twins to their room. Mario: They were s-o-o-o-o near death. They were screaming. Luigi: I'm not gonna make it. Mario: They were at the end. Rosa: They would not breathe. As Mario and Rosa looked at their babies one by one, they cried

La esencia de Mi cielo es el amor, el amor es nuestra identidad, nuestra historia, nuestra historia es nuestro amor; con esto comenzamos el pase de películas, los títulos de las películas, la historia de las películas. Recuerda que hay que actuar de entrada para que lo atiendan. Recuerda que no puedes crear una película tan fácil y complicada sin contar con nuestras cabezas, con nuestras mentes. Y a partir de ahora, es una historia de amor, amor, amor, amor. Porque trabajamos duro para que tus sueños se llevaran a la realidad, para que tu deseo se convierta
